BenQ — Enjoyment Matters

Made for multimedia

With the rich array of options for enjoying audio and video content both online and off, multimedia support is always a plus in a monitor. With BenQ's E Series you get elegantly integrated multimedia features in a remarkably affordable package. An E Series monitor is equipped with high-quality speakers that are artfully embedded inside, preserving the pristine appearance of the housing.

Simply beautiful

The BenQ E Series offers a refined and distinctive design aesthetic. A clean, uncluttered look demonstrates an ethos of stylish simplicity that allows an E Series monitor to blend-in harmoniously in any environment. It's all accomplished with a touch of flair, highlighted by an intriguing blue glow when the monitor is in standby mode.

Made with concern for the environment

TCO '03:

Compliance with these tough international guidelines for performance and environment - friendliness lets you rest assured of the E Series' superior design.

Energy Star-certified:

E Series monitors minimize environmental impact by drastically reducing power consumption, saving you on electricity costs at the same time.

Outfitted for versatility

Despite their affordability, the E Series incorporates technology that you'd expect to find only in high-end models, make them suited for a variety of demanding usage scenarios.

Senseye+Photo Technology

BenQ's exclusive Senseye® technology gives four preset modes—Standard, Dynamic, Movie, Photo—that provide instant optimized settings for different usage scenarios. Senseye+Photo is an enhanced version that adds sRGB mode to support industry-standard sRGB color space, allowing you to obtain consistent results when you view and manipulate images on an E Series monitor and on other sRGB-compliant devices.
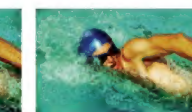

Windows Vista® -ready

Windows Vista® compatibility ensures that an E Series monitor works flawlessly out of the box with Microsoft's new OS.

5ms response time

5ms response time means that even highly dynamic video is rendered fluidly without ghosting or other artifacts.
